The Chile Pepper Institute Hall of Flame

The Chile Pepper Institute's "Hall of Flame" was created so that individuals and businesses could be recognized for their support of the Institute and the Industry.

The "Hall of Flame" is located at the Farm and Ranch Heritage Museum in Las Cruces, New Mexico. There is an identical Hall of Flame directly across from the Chile Pepper Institute Center for Chile Education in Gerald Thomas Hall on the New Mexico State University main campus.

Individuals recognized in the *Hall of Flame* have been immortalized in a way that showcases their commitment and love for chile peppers and the chile pepper industry.

With your contribution, the name and accompanying message will be printed in the size tile of your choice and placed at both locations.

Your generosity helps the Chile Pepper Institute raise funds to cover our student's research posters and exhibits as well as ongoing student-work-study programs.

- **Be recognized for your accomplishments in chile peppers.**
- **Celebrate your involvement in the chile pepper industry.**
